BUNCO PAYOUT CHART

Write in the pot, give each prize its share, and fill in the winners at the end of the night.

Players _____ **× buy-in $** _____ **= pot $** _____

PRIZE	WHO TAKES IT	SHARE	AMOUNT	WINNER
MOST BUNCOS	The player who rolled the most buncos	e.g. 33%		
MOST WINS	The player with the most wins	e.g. 25%		
TRAVELING	Whoever rolled the last bunco and holds the fuzzy die at the end	e.g. 17%		
50/50	The player with as many wins as losses	e.g. 13%		
MOST LOSSES	The player with the most losses	e.g. 9%		
DRAWING	A score sheet drawn from the players who won nothing	e.g. 3%		

A tie for a prize: roll off, and the highest roll takes it. Shares: example split, set your own.
